NEW ZEALAND

27 July 2016

Dear EIANZ (SA) Member

NOTICE OF 2016 ANNUAL GENERAL MEETING

You are invited to Level 7 101 Grenfell Street, Adelaide SA **Thursday 25 August 2016 commencing at 5:00 pm.**

The South Australia Division of the EIANZ is having its Annual General Meeting. Formalities will be short and straightforward – President's Report, Treasurer's Report and Election of the 2016/17 Committee.

The existing Committee consists of an enthusiastic group of practitioners with wide-ranging contacts and experience. It's a great way to network and contribute to the environmental profession. Are you interested in being involved with the SA Committee? If you are able to commit the time, we would be very happy to have your nomination for any of the general Committee positions, as they will all be declared vacant at the AGM.

A nomination form is attached. Members with an interest in joining the SA Division committee (or assisting the 2016 SA Division Committee on a less frequent/formal basis) are encouraged to contact the current President or Secretary of the SA Division via maria.pedicini@lbwep.com.au.

To allow us to confirm the ability to achieve a quorum, please RSVP by no later than Monday 22 August 2016 at www.eianz.org.

Yours sincerely

**Maria Pedicini,
President
EIANZ (SA Division)**
