Dr Lee Bint

Dr Lee Bint is NZDF's Sustainability Manager. She has led the development of Tuku Iho, the NZDF sustainability framework and is now implementing it. Tuku Iho incorporates kotahitanga, kaitiakitanga, puawaitanga and rangatiratanga.

Prior to NZDF, Lee trained in building science and spent 6-year as a Sustainable Building Scientist at BRANZ and 2-years as the Future Leader on the Sustainable Business Council advisory board.

This presentation will introduce Tuku Iho, including the development process, challenges and current priorities, and where to next.

NZDF Vision

**“a fit-for-purpose and sustainable
estate that enables the delivery of
Defence outputs”**
