

# LEARNING TO ADAPT 5

**Building the capacity  
of Australia's  
professionals to respond  
to climate change**

**THURSDAY 1 AUGUST 2013**  
UNIVERSITY OF NSW | SYDNEY

Environment  
Institute of  
Australia and  
New Zealand

THE EIANZ LEARNING TO ADAPT SERIES PROGRESSES  
AFTER FOUR SUCCESSFUL PROFESSIONAL DEVELOPMENT  
EVENTS FROM 2010 – 2012.

Join us for **LEARNING TO ADAPT 5** to understand the current  
state of play and learn the techniques you need to adapt to  
the climate of the future.

THE DAY WILL INCLUDE:

- An executive breakfast
- Updates and case studies from business, science, government and industry
- Training sessions: carbon management, climate change science, risk assessment and regulation and legislation
- Networking drinks

THE PROGRAM IS DUE FOR RELEASE SHORTLY.

Sponsorship opportunities are available. For more
