

# Our Utopian Environmental Legislation

What are the options?

Is the legislation you use perfect?  
Come and defend it or fix it.

Pros & Cons of changes

Making clear choices

A workshop to capture recommendations for our law makers

from Northern Australia's Environmental Practitioners Speakers

Researcher: Prof. Nadine Marshall,  
Regulator: Dr. Adam Smith,  
Enviro. Lawyer: Moya Steele

Sending a message

Bring bold ideas & strategic approaches
