### About our speaker:

Oliver is a multi-disciplinary professional who has worked as a recruiter and HR generalist for a number of blue chip organisations across Banking and Finance, Oil and Gas and the education sector (amongst others). He has recruited varying roles from blue collar workers to Project Managers for multibillion dollar resources megaprojects. He has conducted over 8000 interviews and has reviewed countless CV's. Bamboo Careers, Oliver's coaching business, provides interview and career coaching to professionals Australia-wide.

### Panel session – Interview the Interviewers!

The presentation will be followed by a panel session with environmental practitioners from HR, Industry, and consulting. These are the guys that ask the tough questions in interviews and now it's your turn to interview them.

### Networking

The evening will conclude with drinks, light refreshments and the opportunity to network with fellow environmental practitioners.
