Environment Careers Showcase

**The environment discipline is diverse and exciting.
Come along to our careers night, it's you we're inviting!**

**Ladies and gentlemen, students and grads
A showcase of enviro careers will be had.**

**We monitor the air, the land, and the sea
a sustainable future is our biggest plea!**

The EIANZ Environment Careers showcase is a celebration of the diversity of the environment discipline. Come along to hear environmental practitioners speak about their careers and exciting projects. Hear tales from the field, what it's like to work overseas, the day-to-day of a research scientist, what it's like to work in the public and private sectors, and the trials and tribulations of starting your own environment business.

If you are studying or working in the field of environment and interested to hear about where your enviro career can take you then this evening is right for you.

Each speaker will provide a five-minute presentation showcasing a unique aspect of their profession. A highlight of the SECP calendar not to be missed!
