EIANZ'S NSW DIVISION AND CONTAMINATED LAND SPECIAL INTEREST SECTION PRESENT:
**NORTHERN RIVERS CONTAMINATED
LAND & WASTE FORUM**

Join us at this one-day professional development forum to learn about the latest developments in contaminated land and waste management industries in the NSW Northern Rivers region. Leading practitioners from the NSW EPA, local government and industry will provide insight into regulatory updates and current industry practice. With the growing need for certified practitioners in this area, information will also be provided on the Certified Environmental Practitioner Scheme and its specialist certification in contaminated land.

TIME 8:15am - 5:00pm (Forum)
5:00pm - 7:00pm (Networking)

WHEN Wednesday 21 June 2017

WHERE Ballina RSL
240 River Street, Ballina

COST \$125 for EIANZ members
\$250 for non members

ABOUT

This forum will:

- Increase and update the knowledge of regional practitioners in regards to contaminated land and waste regulations
- Increase the awareness of, and encourage uptake by practitioners to the EIANZ's Certified Environmental Practitioner Scheme for contaminated land specialists
- Encourage the uptake of a Northern Region contaminated land program similar to that recently undertaken in MIDROC
- Foster better working relationships between all aspects of our industry in the region
- Give regional practitioners face-to-face access to leading contaminated land and waste management practitioner's from government, industry and consulting sectors.

NETWORKING

The forum will conclude with light refreshments and the opportunity to network with fellow environmental practitioners. If you are unable to attend the forum, then join us for the networking evening from 5:00pm to 7:00pm. Tickets available for \$20.

This event will count as one point per hour towards your Certified Environmental Practitioners CPD log.
