STUDENT & EARLY CAREERS CONGRESS | SYDNEY

This full day of professional development is targeted at environmental students and early career practitioners. You will learn about the latest practice from experts, develop key professional skills through interactive workshops and build your network of contacts. The day will also include advice on CV writing and an afternoon walking tour.

ABOUT

The Congress is especially targeted at those studying part-time and full-time in environment-related degrees and those new to the industry (within the first five years of their careers). All ages and specialisations welcome!

The Congress includes:

- A full day of targeted professional development activities
- Lunch, morning and afternoon tea
- A short walking tour of Balls Head on the shores of Sydney Harbour
- Admittance to the EIANZ Conference welcome drinks.

NETWORKING

The Congress will conclude with light refreshments and the opportunity to network with Conference delegates at the EIANZ Conference Welcome Function. This event will be taking place on the corporate balcony of law firm, and Conference partner, Clayton Utz.
