As environmental professionals, what do we want?

EIANZ SQ Division
LEAP Summit
5 June 2019
Code of ethics and professional conduct

- Promote environmental principles
- Demonstrate integrity
- Represent and promote the profession
- Practice competently
**MISSION**

Our mission is to connect and support environmental practitioners to promote a sustainable future.

**VISION**

- Promote excellence in practice by supporting our members in their professional development throughout their careers.
- Support the profession in its contribution to good environmental outcomes.
- Be credible, respected and valued.
- Represent the diversity of the profession.

**VALUES**

- **Excellence**: we establish and encourage high standards of science, policy and practice.
- **Ethics**: we are accountable and share a commitment to ethical professional practice.
- **Engagement**: we are actively engaged in our profession and advocate constructively for evidence-based environmental management.
Thank you
