This is the first occasion a forum such as this has been arranged by the Environment Institute of Australia and New Zealand [EIANZ]. The Forum will be held on 6th November 2019, which is immediately after the 2019 Annual Forum of the EIANZ being held on the 4th and 5th of November 2019 in Adelaide.

EIANZ is the peak professional body for environmental practitioners in Australasia. The Institute advocates that best environmental practice is delivered by competent and ethical environmental practitioners. Its members are qualified in environmental science, management and related fields.
