Expressions of Interest

We are seeking Expressions of Interest (EOI) for four of the Board Committees:

- Policy and Standards
- Ethics
- Practice and Professional Development
- Student and Early Careers.

Some of these are new committees and some have been updated. The Policy and Standards Committee replaces the Policy and Practice Committee. The Ethics Committee and Practice and Professional Development Committees are new. The Student and Early Careers Committee continues as it. The role and terms of reference for these Committees follows.

EIANZ has a suite of Board and Institute Committees that support it in its decision making. For information on all the Committees, including membership, roles, and terms of reference please [click here >](#)
