## Climate change forum

**Environment Institute of Australia & New Zealand (EIANZ)** together with the **AECOM** invite you to an interactive forum on climate change.

This forum will provide an update and overview of state government climate change policy announcements and examples of actions being taken.

- When:** Wednesday, 31 May 2017
- Time:** 5:30pm for a 5:45pm start
- Where:** AECOM, Level 10, Tower 2, 727 Collins St, Melbourne
- Cost:** EIANZ Members: \$25 (incl. GST), Non-members: \$40 (incl. GST)
- Registration:** **Register on the EIANZ website here**
- Contact:** EIANZ on [office@eianz.org](mailto:office@eianz.org) or (03) 8593 4140

This event will count as 1 point per hour towards your Certified Environmental Practitioner CPD Log.

Climate change is one of the most critical issues facing Victoria, presenting a complex and evolving challenge for Government and the community. Hear how government and industry are taking steps to act on this issue through establishing policy frameworks and integrating climate considerations in the delivery of major projects.

### Speakers

**Alice Bleby** | Manager of Adaptation in Climate Change Policy, Department of Environment, Land, Water and Planning (DELWP)

*Alice will set out current State Government policy settings and budget initiatives*

**Fin Robertson** | Senior Sustainability Specialist, Level Crossing Removal Authority (LXRA)

*Hear how future climate projections have been integrated across LXRA*

**Dianna McDonald** | Social Research Lead, Sustainability Victoria (SV)

*Learn more about SV research into attitudes and perceptions regarding climate change*

**Fran MacDonald** | Coordinator, Western Alliance for Greenhouse Action (WAGA)

*WAGA have recently released their 'How Well Are We Adapting?' Tool that informs communities and Councils about climate change responses in the west of Melbourne*
