Tickets at: www.eianz.org or 03 8593 4140

Growing Green: A Sustainable Cities Panel

Panel Guests:

Adam Beck: Executive Director - Smart
Cities Council ANZ

Natalie Rayment: Director - Wolter Consulting
Group & Co-Founder of YIMBY

Michelle Cottrell: Urban Planning Leader QLD -
ARUP

More of us live in cities and urban areas than ever before. In the coming decades, the spaces we call home will need to change and adapt to the pressures of climate change and population growth.

Join us, for an evening exploring how our cities can remain sustainable and thrive in the future, with presentations from industry experts and a lively, interactive panel discussion.
