[www.eianz.org/events/](http://www.eianz.org/events/) or  
[www.eca.org.au/events-courses](http://www.eca.org.au/events-courses)

You are invited to a joint ECA/EIANZ event with WABSI, the Western Australian Biodiversity Institute.

Since being established in 2016, WABSI has been involved in the launch of IBSA, implementation of significant terrestrial research programs and technical reviews.

WABSI is a collaboration of leading research organisations aimed at shaping strategic priorities in biodiversity knowledge.
