

# EIANZ STUDENT & EARLY CAREERS CONGRESS PROGRAM GUIDE

This full day of professional development is targeted at environmental students and early career practitioners. You will learn about the latest practice from experts, develop key professional skills through interactive online workshops. This year the program will be split into two online sessions over two days.

## ABOUT

The Congress is especially targeted at those studying part-time and full-time in environment-related degrees and those new to the industry (within the first five years of their careers). All ages and specialisations welcome!

The event includes key note speakers and current industry professionals that will speak to:

- Current industry trends
- Their career paths
- How to find your purpose
- Recruitment insights
- Networking

## ALL ENVIRONMENTAL FIELDS WELCOME

Our speakers originate from a range of fields including corporate social responsibility, sustainability, waste, contaminated land, infrastructure, clean energy and more...
