

About You

You should have at least a Bachelor's degree in ecology, environmental science or a related field and at least 3 years NZ experience.

You will also have:

- Experience in electric fishing, SEV Assessments and Stream Classifications
- Experience in water mitigation and effects on streams
- Terrestrial experience an advantage
- Competent report writing skills
- Ability to work collaboratively with wider project team
- Excellent oral and written communication skills
- Competent in computer related tasks using packages such as Word and Excel

If you possess all or most of the skills above and are keen to work on a wide range of projects delivering innovative and sustainable design solutions, then we would like to hear from you.

Freshwater Ecologist Orewa

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

An opportunity exists in our Orewa office for a Freshwater Ecologist to support the company's environmental team over the full range of environmental activities including client liaison, field and office analysis, reporting and assessments. In this role you will be responsible for providing input into ecological aspects of resource consent applications and environmental impact assessments relating to stream classification, wetland, riparian and bush restoration/ enhancement. There will also be the opportunity to be involved in the preparation of resource consent applications relating to rural subdivisions, environmental protection /enhancement proposals. The role provides an excellent opportunity to work, develop and broaden your skills under the guidance and mentoring of our highly experienced Environmental Director

About Us

Cato Bolam, established in 1972, is a multi-disciplined professional service business and our team of 90+ located across four offices in Auckland and Northland has a proud reputation for delivering high quality services and outcomes.

We offer a friendly, flexible working environment and a salary package that is attractive and targeted at the experience and potential of the applicant.

Make a difference.

Together we will design and deliver a better future.

We'll help you grow.

We will invest in your future together.
