

Ecologist - Flora

Ecology Consulting Pty Ltd

 Goulburn, Southern Highlands & Tablelands NSW, Australia

 Full-time

 \$50 – \$65 per hour

Posted just now

This position will suit a mid-level professional ecologist with:

- several years of biodiversity consulting experience
- strong flora identification skills for bioregions across southern NSW

You will have:

- ecology consulting experience, including environmental impact assessment, reporting and monitoring
- experience planning and leading ecological fieldwork, especially targeted threatened flora species surveys
- a NSW BAM assessor accreditation, or have interest in becoming accredited with our support.

We manage multiple biodiversity assessment projects at any time, with technical design, assessment and reporting undertaken by a team of ecologists and overseen by

an accredited biodiversity assessor. We have a very collaborative workplace based around our offices in Albury, Crookwell and Wollongong.

This position is available for full-time work, but part-time hours of 25+ hours pw will be considered. We offer genuine flexibility around hours and location, office-based or hybrid work, and supported by a collaborative team environment.

This role is intended for ecologists who are looking to consolidate their skills, take on greater responsibility, and continue developing within a supportive consulting environment.

We also have potential positions across southern NSW for the right ecologist to fit our business.
